

CITADEL 4™ GASKETED ENCLOSURE

CT4

Lenses:

100% impact resistant acrylic for maximum light transmission and longevity, or UV stabilized polycarbonate for temperature extremes and maximum impact resistance. The face side of the lens is glass clear to maximize efficiency and minimize distortion. The sides have precise lineal prisims and the ends are lightly frosted to reduce direct glare .

Length: 51.91" • 1319mm

Width: 14.61" • 371mm

Depth: 5.95" • 151mm

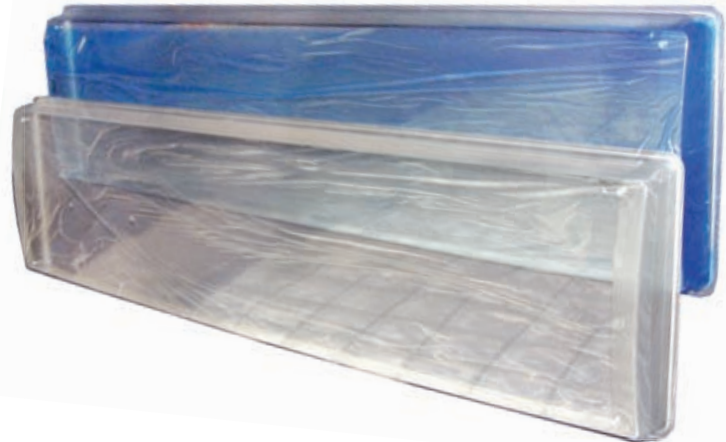

CITADEL 4™ DIFFUSERS

DESIGN	MATERIAL	PART #	PACK
<u>WATER CLEAR WITH FROSTED ENDS</u>	CLEAR POLYCARBONATE	CT4-DP	10 PER CARTON
	CLEAR IMPACT RESISTANT ACRYLIC	CT4-DIRA	10 PER CARTON
