

RETURN POLICY

Returns:

Special sizes, fabricated goods and parts cut from a greater size part will not be acceptable for return. No merchandise will be accepted for return without written permission. Request for return must be made within 7 days from date of shipment.

When authorization is given, material must be returned within 7 days from date of authorization or authorization is invalid. Return shipments must be pre-paid.

Credit issued will be subject to 25% restocking charge less any costs necessary to make material salable.

Product offering and specifications subject to change without notice.
