

Install the keeper onto the Stainless Steel Latch prior to installation onto the Citadel 2 housing.

Insert the Stainless Steel Latch into the latch pocket as indicated above. Gently snap the Keeper over the edge of the housing.

- Simple and Secure.
- Stainless Steel withstands most corrosive environments.
- Keepers mechanically secure latch to housing and prevents accidental loss of latch during fixture maintenance.

		Stainless Steel Material.	Remark.
Name. JCT		CITADEL 2	
Check.		Stainless Steel Latch with Keeper	
Control.
