## Material Identification Mark!

The Citadel 2 Lens now has a Material Identification Mark

At one end there is a small circle with either a P or A molded into it representing that the lens is Polycarbonate or Acrylic.

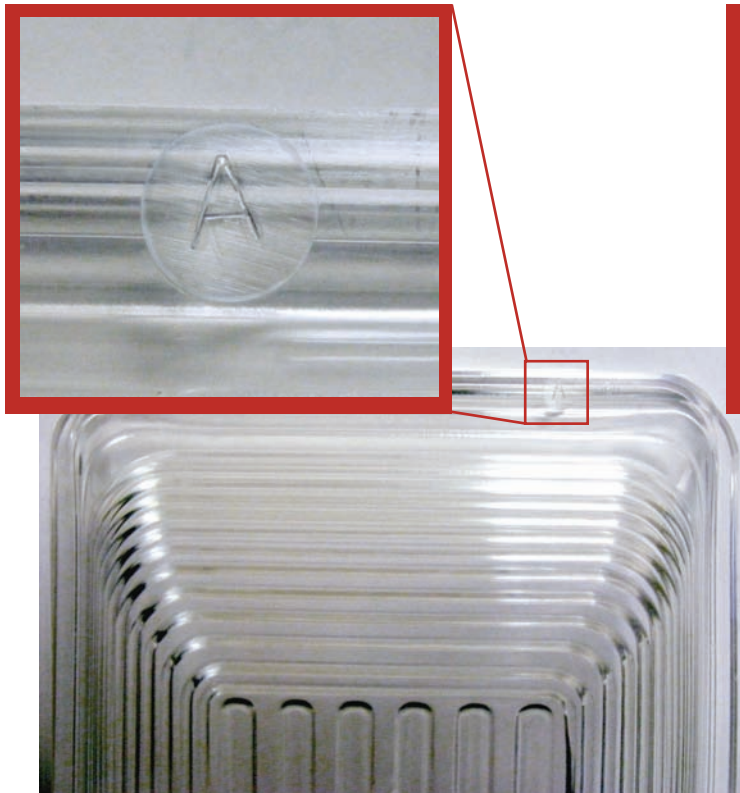

○ Citadel 2 Four Foot Lens

○ Marked at one end only

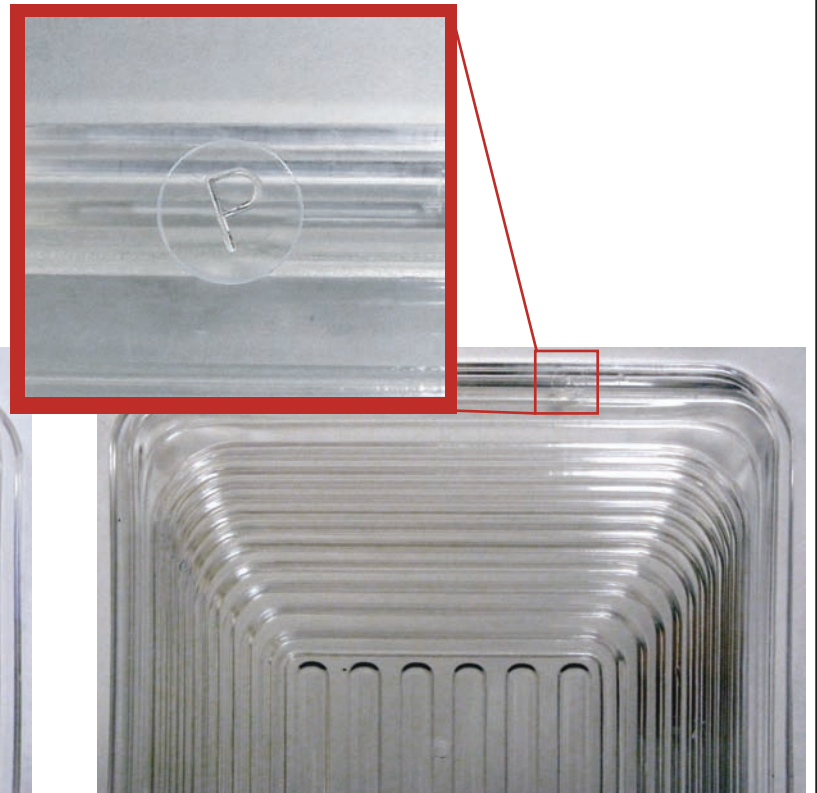

○ P = the lens is Polycarbonate (CT2 - DP - 2L4)

○ A = the lens is Acrylic (CT2 - DIRA - 2L4)
