Citadel 4 Mounting Bracket!

There is now going to be a single Mounting Bracket for the Citadel 4 Enclosure. A combination of the Cable and V-hook Mounting bracket gives customers and installers the advantage of using either mounting system with only needing the one bracket.

- o Single SKU
- o Provides Installers option of using the Cable or V-hook Mounting system
- o All Inventory will be depleted before the release of this part

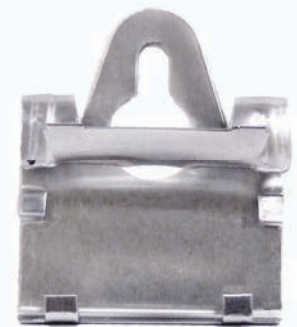

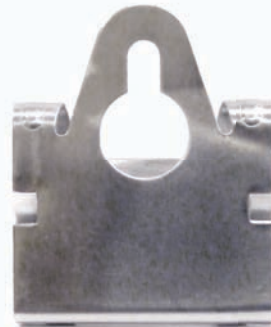

o Old

o New

o New Part Number: CT4 - MB

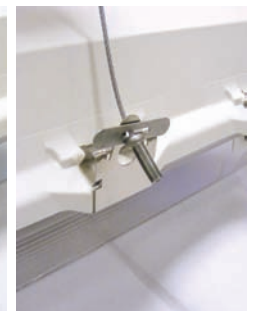

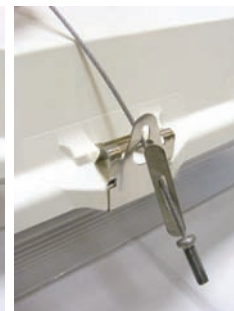

o V-hook

o Cable

o V-Hook Mounting

o Cable Mounting

SLP still has the capabilities to manufacture the V-hook mounting bracket
