

Citadel Update

October 2008

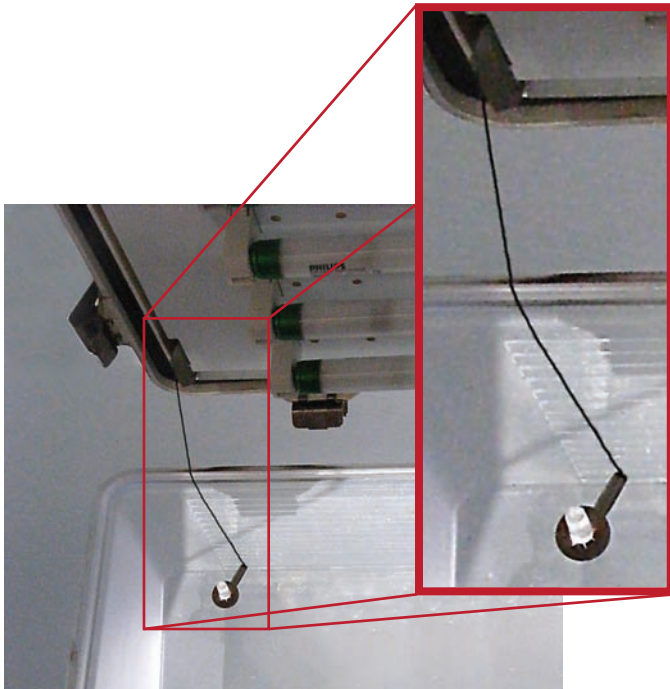

1400 S. Old Hwy 141 Fenton, MO 63026 Phone: 636.600.4084 Fax: 636.600.4108 Email: sales@splighting.com

Lens Tethers!

Lens Tethers are now available for the Citadel 4 fixture. These stainless steel cable assemblies secure the lens to the housing during fixture maintenance.

○ Don't let your lenses fall!

The ends of the Lens Tethers are secured to the inside of the lens and housing. The lens then hangs hands free from the fixture.
