

PERMALUX™

THE FORGIVING FINISH

Now fingerprints can
be Wiped away!

The PERMALUX™ Advantage:

A premium finish for outstanding lighting installations.

SLP's Specular Parabolic Louvers with PERMALUX Finish provides superior installations and years of easy maintenance.

Allows many contaminants, including fingerprints to be simply wiped clean with a soft, lint free cloth.

Allows accidents to happen and be corrected with minimal effort.

Avoids unnecessary job rejections, costs and delays caused by mishandling of Parabolic Louvers.
